Maximising Achievement……..Every day counts!

Dear Parents and Caregivers,

Thank you for supporting the Day for Daniel last Friday. Our school raised $266. It was fantastic see the growing community spirit amongst the students. Students participating in events such as these help to grow and foster their understanding of the world around them and to have empathy for others. Over the next few weeks there will be many opportunities for our children to become involved in the variety of community events that we have planned. The school greatly appreciates the time and effort that is put into developing and running the events and would like to encourage you to become involved when possible. The research states that student results are higher when they feel connected to where they go to school. As a parent, one way that we can assist with this is to support school events. Having said that, I hope to see you at some of the coming events.

Swimathon
Thank you to all our students that participated in the swimathon today. While the students were enjoying the swim we were also raising funds to help to air-condition the Library. Please make sure that you bring back the sponsor card and money raised to the office by Friday 6th November.

School disco
The school disco will now be at 5:30pm-7:00pm on Friday 27 November in the undercover area. The date was changed due to a clash with the Gabba’s first Cricket game of the season. The disco theme is “Sun, Surf & Beach” and will be run by our PCYC as an event for our students only. If you are attending please make sure that all children are dressed appropriately. (NO bare bellies or thongs please). Entry $2.50 per child or $6.00 per family. The P&C will be running a BBQ and selling drinks and snacks on the night.

P&C Fundraising Dinner
The P&C are hosting a Wine and Cheese Night at Egg Bistro on Friday 13 November from 6-9pm. This is an opportunity to catch up with other parents with the proceeds being donated to the P&C. Tickets are $25 per person plus booking fee. Book here https://ebsspandceggbistro.eventbrite.com.au

2/3G Marycrest visit 13/11/15 has been cancelled due to another event that Marycrest has on that day.

Car Park
It has come to my attention that occasionally we have parents using the car park all day. Please remember that the car parking is for dropping off and picking up students only. Also it is important that the speed limit in the car park be followed of all our safety.
Music news
The last few weeks have been very busy for the schools music department. Congratulations to the school choir on their fabulous performance at the End of the Line Festival and our senior and junior bands that performed at Iona College last Thursday and Friday night. Our senior band won silver and the junior band won bronze. Thank you to the parents of these students for the ongoing commitment and support that you provide the music program. Also special thanks to Mrs Hodgson and Mr Arnow for their dedication to teaching the students.

Kind regards
Sandy Hackshall
A/Principal

PE NEWS

TAFE Students Students from 3/4 - 5/6 have enjoyed their time with our TAFE students at the Pineapple Park this term. Many of the international students studying there at the moment are enjoying practising their English speaking with the students and sharing cultures.

Budgie Cup practise this Friday afternoon will be at school on our oval before our annual Gala Day at Coorparoo College on November 13th. Please return all forms and medical slips plus also let me know or your class teacher if you can help our P & C in any way that day in assisting at the canteen at Budgie Cup.

Today was our P & C’s major fund raiser of the year “The Swimathon” at the school pool. Even a collection as low as $10 will ensure your child receives a prize, ice blocks and certificate for the day and assistance to our P & C. Please do your best to support our P & C who have your children at the forefront.

The Brisbane Roar after school clinics have kept the students highly active and the students will have a hoot on the big blow up field for the last lesson next Thursday.

Congratulations Cooper C T who has been chosen for the Cavendish Road State High School Academy Soccer Program next year.

Good Luck to Emad as he is off to Adelaide to play for Qld in the Under 12 State Soccer Team. We will keep you posted on Emad’s progress.

Swimming please ensure that students have rash shirts, swimming caps, goggles, towels, swim bags and readiness to enjoy our school pool for their lessons every Thursday. Please ensure students have studded earrings only for safety in the pool and no other jewellery is to be worn into the pool. School swimming is compulsory and all children are expected to participate in the program weekly.

Marycrest Thank you very much Mrs Sherry McClintock and students of year 5/6M for assisting and accompanying Prep G to Marycrest Retirement Home. Kylie tells me there are still smiles on faces after such a wonderful visit with so many children.

Thoughts until next time: "I have not failed, I have just found 10,000 ways that won’t work" and "Accept responsibility for your life. Know that it is you who will get you where you want to go."

Yours in Sport
Karen Florager
